WORK EXPERIENCE

Front-end developer | Enactus club

04/2023 - Present

Achviments: As a dedicated volunteer at the Enactus club, I played a pivotal role in our team's successful development and launch of a sophisticated e-commerce platform. I leveraged my expertise in web development, including responsive design principles, and employed the Tailwind CSS framework to ensure an optimal user experience, all while contributing to the club's mission of creating positive social impact

Social Media Meneger | “Dil-inkişaf “ club

03/2022 - 10/2022

Achviments: In my role as a dedicated Social Media Manager at the Dil-İnkışaf Club, I took charge of meticulously curating and managing our Instagram profile. I crafted engaging and visually appealing posts using design tools such as Canva, ensuring that our content remained both aesthetically pleasing and informative.

EDUCATION EXPERIENCE

Information technologies | Academy of State Customs Committee

2021- Present

Marks: 88
